

TrustBridge Global Charity Service Guide

A Quick Reference to International Giving Solutions for Charities

At TrustBridge Global Foundation, we believe generosity should have no borders. As the first donor-advised fund built to be truly global, we offer a wide range of secure, swift, and smart international giving solutions to help overcome the challenges of cross-border philanthropy. Whether you're a nonprofit, foundation, or donor, our mission is to make it easier for generosity to reach the people and causes that need it most—no matter where they are.

This guide is designed to help **charitable organizations** quickly identify whether TrustBridge is the right partner to support their international giving needs.
