

TrustBridge Global Donor Service Guide

A Quick Reference to International Giving Solutions for Donors

At TrustBridge Global Foundation, we believe generosity should have no borders. As the first donor-advised fund built to be truly global, we offer a wide range of secure, swift, and smart international giving solutions to help overcome the challenges of cross-border philanthropy. Whether you're a donor, foundation, or nonprofit, our mission is to make it easier for generosity to reach the people and causes that need it most—no matter where they are.

This guide is designed to help **donors** quickly identify whether TrustBridge is the right partner to support their international giving needs.
